## The Chamber of Secrets: The Unconscious Bias Challenge

### Here is what you need to know and do in order to win!

1. The entire challenge is divided into 4 clues. You, with your team, will need to solve each of the 4 clues that will help you re-construct the 6 broken pillars of this once beautiful monument.
2. The entire challenge will happen in the TEAM BUILDING ARENA, you need to click your respective team link - a space for you to brainstorm to crack the clue together as a team.
3. You only have 30 minutes ▪ With barely any time to crack each clue, it's important to work as a team and to listen to what everyone has to say. ▪Remember that each one needs to enter the answer in your Gametize app, since each response counts and adds up to the team points.
4. Keep an eye on the leaderboard. Your answers may get deleted if it does not meet the requirement. You may get bonus points for your team if you do a really good job.
